**The collective achievements and evolving innovations and technologies of our partner companies**

**A shared space**

for Science Park partner companies and the larger I&T community to explore collaboration

# HONG KONG SCIENCE & TECHNOLOGY PARKS CORPORATION

HKSTP never ceases to innovate. We focus on developing advanced technology and entrepreneurial spirit to drive global I&T talents to achieve more, building Hong Kong as an international I&T hub.

We strive to cultivate a diverse talent pool, connect research to manufacturing through reindustrialisation, and create a well-established I&T ecosystem that bridges innovators with high-potential partners and investors for ideas to grow and thrive.

HKSTP Experience Centre promotes the unique I&T spirit of HKSTP in Hong Kong, demonstrating the newest collective I&T breakthroughs. Here, the creative generations start their journey to embrace their boundless future.

# 01 IMMERSIVE ROOM

Enter this captivating space, where visitors are enveloped in a visual journey that highlights the pressing issues of climate change and pioneering accomplishments of HKSTP as a global I&T hub, serving as a cornerstone of Hong Kong's I&T ecosystem.

# 02 HALL OF FAME

Journey through HKSTP milestones as you walk into the radiant space, where the tunnel recounts the countless accomplishments and dreams fulfilled by the innovators and entrepreneurs supported by HKSTP.

# DISCOVERY AREA

## 03 NEW LENS FOR INNOVATION

Explore where potential biomedical technology research topics are translated into application solutions to benefit all.

## 04 FUSING ART AND TECHNOLOGY

The enriching influence of art-inspired innovation sparks positive development in our city, encompassing sustainable practices and environmental stewardship.

## 05 INNOVATION SHOWCASE
